SEABROOK INTERMEDIATE SCHOOL ORCHESTRA

Dear Music Supporter,

The Seabrook Intermediate School Orchestra is hoping for a full year of activity and doing so as best we can as we journey through the 2022-2023 school year. Violins, violas, cello, and basses fill both the Orchestra room & virtual rooms with melodies and harmonies as we prepare for concerts and festivals throughout this year. We are proud of the successes of our orchestra students and know that the community is also proud to support the Seabrook Intermediate School Orchestra. We are very excited about all our upcoming performances this year and hope you will join us at our concerts as we share the joy of performing music with you in person or virtually.

The mission of the SIS Orchestra Booster Club is to support and enrich the Seabrook Intermediate Orchestra Program. We are parents of SIS orchestra students who are dedicated to making their orchestral experience a successful and worthwhile one. One of the ways we accomplish this is to raise funds necessary for expenses such as instruments, scholarships, repairs and workshops, sectional instructors, printing costs, receptions and music copyright fees. We are a 501(c)(3) organization and sponsorships are tax deductible.

Some examples of Orchestra expenses:

- Festivals
- Clinicians
- Supplies (Music, Tuners, Strings, etc.)
- Instruments (New + Repairs)
- Enrichment Opportunities

Benefits of Sponsorship

- 100% of the proceeds go directly to the Seabrook Intermediate School Orchestra for the benefit of the music students.
- Your donation is tax deductible.
- Seabrook Intermediate School Orchestra Boosters, is a 501(c)3 charitable organization.

We hope you will consider helping us through this campaign. Your generous contribution and support of our program is truly appreciated. Thanks for helping Seabrook Intermediate School Orchestra musicians climb the mountain of success!

Sincerely,

The Seabrook Intermediate School Orchestra Boosters
